Open discussion

Sheryl Willis suggested the possibility for Junior Board members. We will bring it before the Board.

Kat Schmidt has information on holding a Lendon Gray clinic for 2023. We will discuss that further.

There was discussion on our entry form. Kat Schmidt said the form was difficult for some because of all the questions.

They are necessary for USDF and our processing. Our new entry is date and time stamped so entries will not be taken out of turn. Suggested printable paper copy available for trainers to walk students through.
